

# Attention: Students Seeking Job Opportunities

## Fall 2017 Co-op Information Sessions

**All majors are welcome  
to attend.**

If you are interested in a co-op position beginning Winter Term 2018, and do not presently have an application on file, please attend one of the following co-op informational workshops.

*Please be reminded that co-op students must meet the following requirements:*

- Students must be making satisfactory progress in a Wayne State University degree program.
- Students must possess at least a 2.0 grade point average. However, employers, when making selections, place emphasis on academic achievement.
- Students must have attained junior status (60 semester hours).
- Transfer students must successfully complete one academic semester prior to admission into the program, in addition to the above requirements.

If you have any questions, please contact Maureen Johnson or Arlinda Pringle at:
