

Attention: Students Seeking Job Opportunities

Winter 2018 Co-op/Intern Information Sessions

All majors are welcome
to attend.

If you are interested in a co-op/intern position beginning Spring/Summer Term 2018, and do not presently have an application on file, please attend one of the following co-op informational workshops.

Although internship opportunities can offer some flexibility, please be reminded that co-op students must meet the following requirements:

- Students must be making satisfactory progress in a Wayne State University degree program.
- Students must possess at least a 2.0 grade point average. However, employers, when making selections, place emphasis on academic achievement.
- Students must have attained junior status (60 semester hours).
- Transfer students must successfully complete one academic semester prior to admission into the program, in addition to the above requirements.

If you have any questions, please contact
Maureen Johnson or Arlinda Pringle at:

Career Services
1001 FAB • 313-577-3390
www.careerservices.wayne.edu

Note: For increased opportunities, please try to participate in one of the earlier workshops.
