Wednesday, March 29, 2017
11:00 a.m. - 2:00 p.m.
Hilberry B & C, 2nd floor Student Center Bldg.

You are invited to walk through the Career Demo Day Exhibit Hall.

Experience hands on demonstrations from various companies and learn about their business.

Network and Drop off your resumes at the companies that interest you.

Career Demo Day supports strategic student learning outcomes and provides the Wayne State Community an opportunity to network and participate in hands-on employer demonstrations. Walk through the exhibit hall and engage in interactive experiences while learning about various organizations and their business. Remember to bring your resume to leave with any company you would like to work at. This relaxed engaging atmosphere will allow you to connect with employers and get to know them beyond a typical career fair or company presentation atmosphere.
