STUDENT CENTER BALLROOM

Dear Recruiting Partner,

Wayne State University Career Services is offering employers a free on-campus Corporate Engagement opportunity.

Career Demo Day supports strategic student learning outcomes and provides your organization or company the opportunity to conduct a hands-on demonstration of your choice. We are looking for employers to engage Wayne State students through interactive displays while learning about your organization and its business. Students will wander throughout the demo ballroom and experience the hands on demonstrations, interacting with you and dropping off resumes. This relaxed engaging atmosphere will allow you to connect with WSU students and get to know them beyond the typical conservative career fair or company presentation.

Each participating employer is required to provide a "hands-on" interactive student/employer experience that allows you to engage with the students. Career Demo Day will be a 3-hour on-campus event from 11 a.m. - 2 p.m. on March 29th. Each employer interested in attending will have an assigned table/space suitable to the demonstration idea they submit.

If you are interested in participating in Career Demo Day, please submit a demo idea to Susan.Crowley@wayne.edu by February 28th.

Help WSU students/graduates discover your company!
